JACKSON, MO., JANUARY 30, 1902

This paper is on file at the office of the Chicago Inter-Ocean, 106-108-110 East Monroe street, Chicago, where our readers will be courteously greeted who may care to call upon The Inter Ocean for a tour of inspection and sight-seeing through its magnificent building, in which can be found every mechanical and scientific improvement of the age in connection with the needs of a great newspaper. It is a rare treat to any one interested in the subject and should be taken advantage of.

The county democratic committee met in Jackson last week and set March 8 for the township meetings and March 15 for the delegated conventions.

The Fredericktown Trust company has absorbed the Madison County bank, but until other arrangements are made the firm will do business as the Madison County bank.

The democratic state central committee that met at the Laclede hotel January 18 named July 22 as the time and St. Joseph as the place of holding the next state convention. The judicial convention will be held at Springfield July 8.

ALEXANDER D. COOPER, treasurer of the Graham Paper company, of St. Louis, was murdered by Wm. Strother, colored, on the night of January 22. The tragedy occurred at the Vista bath establishment on Franklin avenue which was owned by Mr. Cooper, and employed Strother to run for him. Cooper was a very rich man. Strother is under arrest and confesses the crime.

A Most Liberal Offer.

All our farmer readers should take advantage of the unprecedented clubbing offer we this year make which includes with this paper The Live Stock Indicator, its special Farmers' Institute Editions and The Poultry Farmer. These three publications are the best of their class and should be in every farm home. To them we add, for local, county and general news, our own paper, and make the price of the four for one year only \$1.25.

Never before was so much superior reading matter offered for so small an amount of money. The three papers named, which we club with our own, are well known throughout the West and commend themselves to the reader's favorable attention upon mere mention. The Live Stock Indicator is the great agricultural and live stock paper of the West and Southwest; The Poultry Farmer is the most practical poultry paper for the farmer, while the Special Farmers' Institute Editions are the most practical publications for the promotion of good farming ever published. Take advantage of this great offer, as it will hold good for a short time only. Samples of these papers may be examined by calling at this office.

This offer applies to all new subscribers and all old ones who pay up all arrearages and one year in advance.
